

AreaLux Membership Partner Request

The AREALux Membership Program is a new and exciting benefit provided to all residential tenants in the AREA Real Estate portfolio. Participating retailers provide an enhanced experience for our urban community by offering exclusive perks/discounts for residents at our properties and in turn help promote your business. The Lux by AREA card gives our resident access to these discounts at any time, without restriction. Visit www.dtsatx.com for more information and to view a list of current program partners.
